

## CEVA Animal Health Officially Launched Poultry Vaccines In Iraqi Market.

CEVA Animal Health announces the official launch of **#CevaAnimalHealth #Poultry #Vaccines** in the Iraqi Market with their partner, **Nakhlet Erbil**, represented by **Dr. Rabar and Dr. Zain Shaker!**

**#Ceva commitment to advancing animal health across the region.**

🌍 The launch event saw over 95 attendees, including agriculture engineers, veterinarians, consultants, and professors. The lively discussions and exchange of ideas reaffirmed.

🚀 **A big shout-out to our dedicated “Ceva Near East and Gulf team”**

Together, we shared our excitement for Ceva’s innovative solutions and our shared vision for improving animal health in Iraq. 🌍 We are incredibly proud of our growing presence in the Middle East and Gulf regions and look forward to making a lasting impact with our trusted **#Ceva products**.
